# ALERT

**March 22, 2020**

TO: Maritime Exchange Members

New Jersey Governor Murphy issued [Executive Order 107](#) requiring residents to shelter in place effective as of 9:00 p.m. last night. While some businesses were ordered closed, the governor exempted, among others, transportation and logistics workers:

Manufacturing, industrial, logistics, ports, heavy construction, shipping, food production, food delivery, and other commercial operations may continue operating, but as explained above, they should limit staff on site to the minimal number to ensure that essential operations can continue.

Employees reporting to work are permitted to travel to and from their place of business. Businesses are encouraged to give each employee a letter indicating that the employee works in an industry permitted to continue operations.
