MARITIME EXCHANGE
for the Delaware River and Bay

ALERT

April 10, 2020

TO: Maritime Exchange Members

In case you missed it, on April 8 New Jersey Governor Phil Murphy reaffirmed that transportation construction projects, including work done at seaports, are deemed essential for public health and safety. If not included as essential, [Executive Order 122](#) would have required that maritime construction cease altogether at 8:00 p.m. tonight, when the order becomes effective.

As always, feel free to contact the [Exchange](#) with any coronavirus-related questions or concerns.
